# CCM media Update

## Our dear praying partners across the world,

Good news! Finally, our Studio renovation is completed and finally, also, the snow is melting away and the temperature has risen to the mid 60's F (15 C). Now I feel I've been set free, even though it took so much more time and money than we had estimated. But now the studio is up and running and we want to "catch up" with pressing jobs, e.g., recording, in two months, 35 "Unshackled" radio dramas, several films and some music recordings. Fortunately, we now have more staff to deal with it.

## Moving moments

We had our regular Board meeting and a meeting of the General Assembly of our Association. It was, for some of us, a very moving moment as our dear friend who has been President of our structures has stepped down from his position after almost 30 years of deep involvement. Bishop Zdzisław Tranda is now 87; he still comes to our meetings, 220 miles (400kms) by train, records regular Sunday devotions for our radio and participates in all the Association activities. In response to his request, first brought to

us some eight years ago, we have finally accepted his resignation from his position of a President, though he continues to be a Board member,

So many great memories came to mind; our long, regular meetings, early 1980's, in his Warsaw flat with Ralph Hamburger (then Director of World Vision and hugely influential in our thinking and in financing the recording studio) when in secret prayer times we dreamt together of a recording studio that would add an extra dimension to our evangelistic music group DEOdecyma who were quite busy at that time traveling all across Poland sharing the Gospel and seeing many people come to Christ.

So, now I have been elected as the new President of DEOrecordings Association. I pray that the Lord will give me His perseverance; passion, wisdom and energy to further expand our activities. 30 years ago we could not have imagined present developments, so we trust the Lord the future will be even better!

Bishop Zdzisław Tranda - President of our association stepped down after almost 30 years of involvement.

His attitude and comitment is a great encouragement for younger generation.

## Succession?

With the Bishop's resignation it is a natural progression to think about "succession" in our whole organization. Well, I believe the Lord has already chosen His people to be involved but we do not

Our Recording Studio facility is after heavy renovation. After months of remodeling we're ready. We believe it will serve His Kingdom for many years.

To God be the glory!

## Radio CCM & Radio Fest

Total weekly audience 580 000

want to use our human calculations that too often lead us to disaster. We focus on the work we want to expand with as many new leaders as possible (already we are seeing quite a number becoming more and more involved). They will know better than we do how to get wisdom from the Lord and to be relevant to their generation. Yes, we invest heavily into new people! As our work is growing so fast, we need them desperately and the Lord answers our prayers.

### Exciting opportunities

We were all electrified by the news, that there seems to be a possibility of getting involved in digital radio in Poland on a major scale. There are some talks about obtaining for us a whole "multiplex" consisting of 7 to 12 parallel channels, nation-wide (!). It means we could run multiple programs (regular, local feel, but also spoken word, different genres of Christian music, etc.).

There are also some opportunities to move our radio studios to Zabrze (Radio Fest) and into a better location in Gliwice (Radio CCM), directly into the proximity of the historic "Gliwice Radio Tower" (the place where II World War was triggered). Local governments are luring us to move to those locations and we seek His will. Please, pray with us. We pray that Krzysztof (radio CEO) sees direct guidance from the Lord. These are major steps for us.

In our Wisla studio situation we are praying about purchasing the building where our studio is located; right

now we are only renting it. We would like to add some extra living facilities to make it a small "training centre", there are so many ideas we are considering.

Very soon (May 10 - 12) we shall have in Poland first Outback weekend. It is a parent/teenage and married couples weekend that makes a profound impact on lives of participants. Our USA friends will come to help us with the first event. There is still a lot of work is still to be done, we meet several times a week to plan, pray and train.

God willing, next year, August 20 - 22, 2014 we plan to have another "Festival of Life" - this time to get together as many as possible of the thousands of people who responded to the Christ call in Internet szukajacBoga.pl platform. We pray for tens of thousands of people to attend... A real "moment of truth"

### Epilogue

Our personal life is good, I was only feeling tired. Spring, all the activities, lots of traveling, but I continue with my daily walks (target - 10 km a day!).

Your prayers and support are a needed and appreciated and very much a part of what God is doing in Poland! We love you dearly and pray for you, too.

Henryk.
