CCM media Update

Dear Friends,

Summer is in full swing, we try to balance work with resting and.... yes, it is possible! Bogusia and I have just returned from a trip to Northern California. We met with seven groups of friends, but had also two days on the beach where we were the only two trying to swim in the cold Pacific Ocean waters. Well, it's only very cold for the first 30 seconds!

USA Trip

Our trip was a wonderful time of meeting several dear friends, many who have already visited us in Poland, people actively involved in God's work. Great reunions and encouragement. We also met some new people, always a positive experience. The main point of our trip was to attend a special "History Makers" major donors' party at the JH Ranch, where we represented the International wing of the Outback family

ministry. Again, we are so blessed to have this fantastic tool that transforms lives of tens (actually, by now, hundreds) of people in Poland. God can make miracles, in just 44 hours - relationships between married couples and parent/ teenagers are restored in a very real manner. A number of Polish couples cancelled divorce proceedings after just one weekend. Praise God! We also talked with a lot with people who are heavily involved in Internet outreach. As time passes by, more and more people are asking various on-line ministries about visible outcomes; so our open and detailed sharing of our approach and results as we strive to lead seekers all the way into discipleship and church membership raises great interest. We are able to demonstrate clear, confirmed results. Of course a lot is to be still done, the Internet is just a tool but it must be placed in the hands of committed e-coaches who must first be trained and then regularly encouraged.

Summer opportunities

But there were more good things happening, too. Dziegielow Gospel week in July was gathering of approx. 2,000 people at the evening talks; we had our stand there with Christian films and records, also at three other major conferences in Poland. But the biggest event for us was a week-long discipleship training event, “Christian to the core”, an International Leadership Institute (ILI) program that was held at a Catholic monastery. Two English friends joined us to help – Martin and Kevin, who coordinate the ILI work in Europe. Several of us were teaching and the music group (Filip) from my home church led one evening worship session. Some 300+ people, sincerely committed to the Lord, from different traditions but discovering the Lord in a very real way, a level of commitment not often seen. Already several of them are our e-coaches, and, hopefully, more will join.

Justyna’s health

Once again, thank you so much for all your prayers for Filip’s wife, Justyna. Her health, after surgery is slowly improving and doctors are happy with the outcome. It will still take several months to reach full recovery, so please, continue to pray for her! They have rented a house quite close to us, a wonderful solution for time being. And they are happy!

Thank You LORD

What is hell like?
Jon, <12

I am a Christian whole my life, but I'd never felt God presence. My question may seem very basic, but I wanted to ask how to live in everyday harmony with God?
Marry, 15

How to forget about the past? To remember the lessons but start a new life... that paralising fear and weakness is taking my hope away. I would like to start from the scratch.
Asia, 22

I'd like to talk with somebody, who confessed Jesus as Lord and Saviour, whose life is based on God's Word and who is faithfull to Roman Catholic Church doctrines.
Kathy, 38

Why I can't find anybody to live with? I'm alone for few years now and I can't change it. What is wrong with me?
Monika, 24

Hi, how I can start building relationship with God?
Will you help me with my depression?

Hi. Jesus said in Mathew 5:6 that we are to pray to the Father. If so, why You direct your prayer to Jesus? Who was Jesus?
