CCM media Update

Dear Friends & Prayer Partners,

Summer in Poland is very hot this year, as in most counties in Europe. There is evidence of climate change, e.g., many more storms and devastating winds. But the Lord is in control, so we may sleep calmly. :)

July was again – very good for us. Here are some highlights:

Woman's Breakfast - evangelistic event in Wisła

- » Excellent **woman breakfast** for some 700 ladies in Wisla, organized by Bogusia and friends. Carol Williams, wife of our dear friend Kyle Williams, NEC Board member, shared her moving testimony.

Carol Williams shares her story (on the right)

- » Great **Dziegielow Gospel Week** with Pastor Wade Burleson from Enid, Oklahoma being the main speaker; 9 evenings, some 2.000 attending in a huge tent.

Dziegielow Gospel Week - with pastor Wade Burleson, Oklahoma

Wade & Michelle Burleson, Carol & Kyle Williams - dear friends from Oklahoma

- » **Marriage seminars**, conducted by Carol and Kyle in Wisla and Cieszyn;

- » On July 4th (!) a **10,000,000th decision** to accept Christ was taken in our global Jesus.net movement. Praise the Lord! How thankful we are to be part of this family! Watch more on : jesus.net/10

Cześć - new album finally here! Click to listen

- » The long awaited release of a **CD by Czesc** (the band who play regularly in our church and also are the group behind most our activities). Many of the musicians are Studio DR staff and are, therefore, daily involved in our ministry. They wrote all the songs and recorded them in our own studio. We are thankful that it is, finally, available. A sample song could be heard here: <http://zespoleczesc.pl/muzyka/> Over 800 CDs were sold in first two weeks.
- » **Visit of Fokke Koistra**, a technical coordinator of Jesus.net; for the planning of the next steps of development of our system.

- » Our training coaches, Jacek and Ela Banczyk had a good **trip to Canada and USA** to lead training seminars in Polish churches – of volunteers hoping to become e-coaches

Yacuba with family - friends from Niger

- » Visit of a **family from Niger**, Yacuba with his wife and two children. They conduct a stupendous work in one of the poorest countries in the world. One of their ministries is Radio, and Krzysztof has already greatly helped them to organize and train their staff. Krzysztof is prayerfully considering an even deeper involvement in helping those people, including a 2 week long trip to Niemei (capital of Niger). Please, pray for the Lord's guidance and the resources needed.
- » Krzysztof was able to obtain (after years of applying) **extended licenses for two of our transmitters** – in Ustroń and Oswiecim (Auschwitz) – from 250W to 1 kW. Praise the Lord. We also want to add an extra transmitter in Wisla, to provide a better signal to the valleys. We pray resources will

Thank You LORD

be available. The latest independent Radio Audience research figures were, again, excellent after a small drop during the Spring. The staff work really hard using, almost daily, their “Outside Broadcast” (OB) van, visiting various towns and events, e.g. Dziegielow

» **Two camps were conducted** by our teams (History Makers (discipleship for young adults) and Christian to the Core, both in a Catholic monastery complex of Saint Ann Mountain (!). Wonderfully received, a real blessing. The Lord provides more and more contacts. Our English friends from the International Leadership Institute (Kevin and Martin) were helping.

» An **Open Doors group** of some 50 people from Holland came to Poland, as part of their 60th year celebration of establishing that ministry. In 70s and 80s they were instrumental to our work, smuggling bibles in the Polish language for us to distribute during our concerts. A great reunion!

» **Several guests visiting** our home in Wisła – what a privilege to have so many friends!

Well friends, God is at work and what He is doing is marvelous in our eyes. Thank you for staying with us, encouraging and praying. Your support and prayers makes a major difference!

Henryk and team.
