CCM media Update

Dear praying, supportive friends,

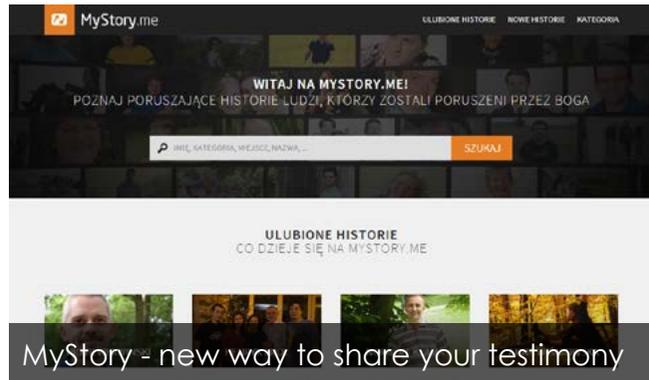

Yes, we had great January, again! I am just overwhelmed by the Lord's grace, love and provision! Thank you for your prayers – they are being answered every day!

A new milestone

Last week we passed an historic mark of

---2,000,000 unique visitors ---

to “Looking For God”, our evangelistic web page, launched in July 2008. Hundreds of thousands have expressed an interest in starting a new life with Jesus; over 30,000 have left their contact addresses and ask for person-to-person coaching, on-line. Only the Lord knows the real impact this work has on others, but we know personally some whose lives were transformed by the Holy Spirit. This gives us new energy and passion to work better and serve the real needs of our enquirers.

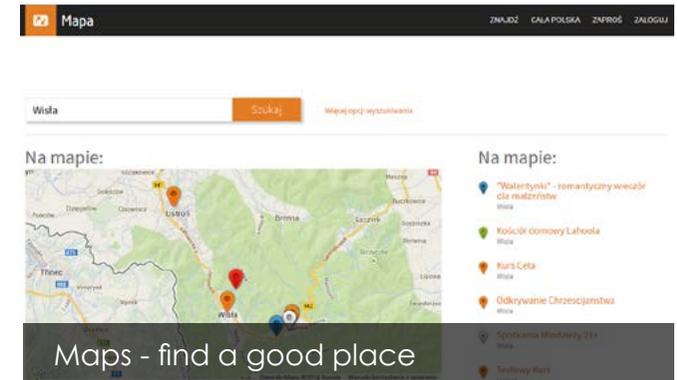

New tools

We are in the process of launching two new Internet tools to better serve our contacts.

The first-one is “**My Story**” a testimonial portal, (as mentioned in the January “Update”). We now have all the materials translated into Polish and during the next three months plan to add hundreds of personal testimonies of an encounter with Jesus.

Then we plan to expand it even more. The idea is that every person sharing his/her testimony gets some business cards that carry directions for accessing their on-line testimony. These are to hand out to friends and acquaintances. We hope this will add many new contacts to our follow-up stream.

The second tool is **mapping software**. This idea was developed by my son, Filip, after a visit to Billy Graham Evangelistic Association. It was implemented with a help of Peter, our Polish coworker resident now in Switzerland. It is an on-line page, targeted at people who, after completing some on-line follow-up modules, are willing to meet other believers face-to-face. Now, all they need to do is to submit the name of their home town (or zip/post code) and they will be provided with a list of nearby home groups, special events, conferences, fellowships, etc., plus the contact information of a person who will be happy to meet with them privately to start a rela-

tionship. Wow! It is all coming together and will be implemented during February.

Films

Our Studio DR section is also distributing **Christian movies** throughout Poland. As we get more and more titles in Polish, the number of showings across Poland is increasing. 196 licenses for public viewing have so far been issued. In many instances it is also connected with the promotion of our "Looking For God" evangelistic web page. I was really impressed when just recently in our little valley a friend from our church organized three shows on three consecutive days in a local fire station and it was packed, with some 170 people attending each evening. What a blessing!

Strategic collaboration

I was invited, with my wife Bogusia, to meet the **Catholic National Board of New Evangelism** led by Bishop Grzegorz Rys to present details

of our ministry and to discuss the possibility of sharing our tools and experience with them. For years we have had some excellent contacts with individual Catholic leaders, but this was bringing things to the next level. In no way will we compromise our biblical values; nevertheless, we have discovered that with that group of evangelical Catholics we have most things in common. Poland is a 90% Catholic country so it is natural that when revival comes the Catholic Church will have a major involvement.

We want to be part of that process, not for our own glory but to see Jesus lifted up before all men! We were very well received and there are number of plans already in place. What a new challenge this is!

Epilogue

Yes, we are so blessed! Already, January was really good for us and our outreach. We have also received some funding towards the expansion of our ministry, something we were praying very much for. Thank you, Lord.

Thank you, too, for your prayers, they really make all the difference! This is the only way how I can explain the blessing we get. So please, keep on, and occasionally [write us a mail](#).

We love you dearly and pray for you, regularly.

Henryk.

Thank You LORD

Letters

A random selection of mail received during January 2014

How can I get assurance that God really loves me and will change my life? I have pressed a button and prayed honestly.
Angelica.

How may I be reconciled with my mother in law? She is a very religious person and I am far away from God. I would like to get closer spiritually to my mother in law and get forgiveness from her. I have acted badly.
Stanislaw.

Does God really forgive everything? Cheating, ignoring my own convictions, lying, blasphemy. How can I stop all these things?
Anna.

Do I need to believe in Jesus? Is faith in God is not enough?
Marta.

Thank you that you have your portal. You have encouraged me greatly
Filip.

Why do I have this great problem of not being able to forgive my late mother and father? What should do?
Andrzej.

I want to love Jesus and have a strong faith in Him. I am a Catholic, but my husband is only a nominal Christian and is not share my interest. I do not know, how to pray or how to behave, in a way that would change his attitude, allowing God would change his heart. I think it is a penalty from God, as when I was looking for a husband everything but faith was important to me.
Ilona.

I am starting my faith-walk right now, a Catholic. It is the very first time in my life. Until now I have been an atheist. Now I want to test God so I can be sure. I would like to learn everything from the very beginning, about God, faith, religion. Best greetings.
Franciszek.

How can I believe, that God is really interested in me? How do I discover if I mean anything to Him? I ask Him, but do not get any answer. I do not "see nor hear", perhaps He is not speaking?
Marta.
