CCCM media Update

Dear Friends & Prayer Partners,

January was a very special month for us. We had a record number of visits on our "Looking For God" evangelistic web page, over 47,000! 3,499 have expressed a desire to accept Christ, 273 asked for a personal e-mail contact (e-coach). Several letters are attached.

We are so thankful, that all that major efforts taken to expand this outreach is bringing results. But it is testimonials of people who were helped by our Lord that make it really worthwhile, not statistics!

And there are so many parallel tracks happening. Me

etings of coordinators, mentors, plans for 2015, development of technical infrastructure, etc..

As you already know, we in Poland are taking responsibility for all the technology behind Global Jesus.net work, both the access level web pages and also the e-learning platform we have developed in-house. Please, pray for our team as the task is enormous.

So far everything is developing according to plan, but it is, simply a lot of work. We are praying for new IT people to join our team, not easy, as we want them also to be firm believers.

Challenges

But we sense also spiritual warfare. Krzysztof, our Radio CEO, has recently had an epileptic attack. He is extremely overworked, Radio is doing great but the price he pays is much too high. Please, pray for him!

Also, recently, we have had a problem with one of our landlords; we pray the situation will be resolved in the Spirit of our Lord.

Outback New Zealand

Bogusia and myself were invited to attend the first Outback week in New Zealand. It was a fantastic trip,

A short walk from our office in Wisła

Together with Bogusia we've attended the first Outback camp in New Zealand.

meeting a number of great, godly people who want to reach others struggling in their families. The outcome was wonderful, again, many reconciled people and many moving moments. The interesting thing was that some 30% of attendees (of our 180 “guests”) were local Mauritian people. Many of them have committed their lives to Christ, some coming from very difficult backgrounds and moving stories of hatreds and criminal activities, now transformed in Christ, WOW!

Malta Conference

I was also at a Malta conference dealing with reaching the Muslim world via the media. Our Jesus.net model of follow up aroused serious interest of other major players who are considering implementing it in their work(!). Some of them deal with literally millions of enquiries, situations that are very different to those in Poland, so the challenge is immense. We pray for God’s guidance in this process.

Radio ministry testimony

Every day our radio is airing “Unshackled” testimonials in a form of a radio drama. Just recently we found on a net a testimony of a man who was saved by listening to this program on Radio CCM. A video with English subtitles can be [viewed here](#), due to a translation done by Peter, son of Krzysztof and Ela.

Well friends, God is at work and what He is doing is marvelous in our eyes. Thank you for staying with us, encouraging and praying. It makes a major difference!

Henryk and team.

Thank You LORD

Progress on January prayer requests

1. Great meeting with Jesus.net leadership in Czech Republic on some administrative issues, very important for the growth of the movement.
2. Some funding received – Thank you, Jesus!
3. Radio ministry has ended the year with positive numbers, both audience and finances.
4. Gele/Codex in full development, raising interest from several Christian groups.
5. Spirit of unity, friendship and common goals among volunteers.
6. Great visits statistics, with the help of a Google grant, used for promotion.

Please PRAY

February prayer requests

1. Krzysztof’s health. He had again an issue in early February with the attack of epilepsy, it is better now but we should continue to remember his situation in prayer.
2. Finding right people to join our IT team.
3. Continuing development of Gele/Codex platform for discipleship and growth; adding more countries to the platform. Moving existing web pages in 27 languages to “our” servers and maintaining them.
4. God’s guidance as we are awaiting decision of International foundations about their financial support.
5. Travel mercies for Krzysztof, his daughter Zuzia on their trip to NRB (National Religious Broadcasters) in Nashville, my – to ILI (International Leadership Institute) conference in Houston, before meetings in Los Angeles.
6. New friend, Andrzej Pilch, from Skoczow has joined our team. He will be responsible for Outback and “My story” developments. Let us pray for a special blessing for him.

Hi, I would like to talk (write) to somebody. Few years ago I was on Oasis conference with priest Ryszard, but now I'm terribly lost. I don't know what to do. I'm wife and mother. I don't know even where to start. Mayby I will ask - can I really be anonymous here?

Woman, 35-44

I would like to continue my conversation with Adam - my personal coach.

Man, 25-34

I would really like to know God, but I don't know where to start?

Woman, 25-34

I am a person who discovered God not long ago .. Will that bother you if my questions will be very primitive or stupid?
Woman, 15-17

I simply want to change my life and I believe you.
Man, 25-34

I believe in the existence of God, but this does not translate into my real life. I see only the theories and strange fascination: „Do you know what Jesus is? What he can do?“ Therefore i see Jesus as a master of unfulfilled promises and hopes - a theory for theory.
Man, 35-44

I want to know - why I exist? After all this? I don't want to live, do not pray. I don't trust myself, God or other people - anyone. I'm sorry I know that's silly .
Man 22-24
