CCM media Update

Dear Friends,

Finally we have summer in Poland! Today weather is nice and pleasant, but recently we experienced both extreme heat (as my car air conditioning stop to operating) and pretty cold.

Recently

Life has been enjoyable, with number of groups visiting us. It is always a good opportunity to see the milestones and be even more thankful to our Lord for His guidance and blessing. Great fellowship with our dear and close friends. Some of their remarks are posted in this newsletter. We are also catching up with all our regular duties now the main conference season is for us over - except - tomorrow at Dziegielow (a Christian Conference Centre near Wisla) "Gospel Week" starts, with me interpreting for the main speaker, Al VomSteege from International Leadership Institute, a wonderful, godly man, teacher and evangelist. Please pray this will be a real wonderful time for those coming (some 2.000 expected).

Radio ministry and Krzysztof

What a thrill and joy it was to learn, that our Radio President, Krzysztof Budzisz was invited to the Presidential Palace in Warszawa to be

Krzysztof Budzisz - Radio CCM President with Bronislaw Komorowski - President of Poland

honored by Polish President with the medal "for accomplishments in developing local media". He was the only one representing smaller media there. How happy we are about it - the Lord is glorified, but also our future expansion will be more welcomed by the authorities. What they were underlining there opinion of us being, "You act as you say you will, you fulfill successfully your mission and serve society", praise the Lord! And what an encouragement it is to Krzysztof, who puts so much of his life into the radio work. Our DEOrecordings Association has also arranged a special banquet to honor this occasion. This is also showing good reception of our long-term Radio partners programs, like Pacific Garden Mission whose Unshackled radio drama with testimonials is aired every day, Insight for Living with Charles Swindoll - also daily on the air and several others.

Internet

We work all the time on some developments of our Internet tools. Still, as Google has changed some of their promotion engines - we observe a massive loss of visits to our pages, even as we pay all the time the same fees. Now we are prayerfully looking for solutions, to get "back to normal" and expand. Trends and fashions in society change drastically, so we think less people are sincerely "looking for God".

Many are deeply worried, depressed, feel rejected – but they do not turn in such a scale to God as a solution. So our creative group is developing a parallel portal “I do not know what to think about it” that will deal with some of the basic needs of people, introducing God as a solution only later in correspondence. We want to be very creative also to capture young people’s attention, as most of them are not considering God to be in their sphere of interest...

On our discipleship platforms, we are asked to share our tools also with other languages (countries). Now we are working on Russian, Canada and Arabic.

Other conferences

Poland (Wisla) is discovered by number of our Friends as a great site for International Christian conferences, so it will keep us busy. It is another way to help and serve many other parties. Next Jesus.net Global conference is to be held in Wisla April 26 – 29, 2014, just before it – a “MinistryNet” (a Campus Crusade for Christ initiative to get together different Internet ministries together) then second Wisla edition of European Leadership Forum, May 24-29, 2014, in January 2014 – a “coding party” come together of different software writers to do some joined task in up to 5 days, still this year our next “Polish Outback” family weekend, September 20 – 22, 2013, we shall have some observers from number of other countries, then in Warsaw, the Franklin Graham

Festival of Hope June 8, 2014, after that, our annual SzukajacBoga.pl e-coach conference, regular 2 Outback weekends a year, this has pushed us to change the dates of our planned Festival of Life in Wisla into 21 – 23 August, 2015.

And in between – so many workshops, smaller meetings, training sessions, etc. We see an acceleration in almost every area of our lives. Literally, hundreds of people finding the Way towards cross and discipleship.

Epilogue

We are ready for little rest. Fortunately, there are number of our people who represent us on various conferences, festivals, concerts, etc., offering music, promoting Looking For God platform, etc. so the work goes on uninterrupted. Your prayers and support are a needed and appreciated and very much a part of what God is doing in Poland! We love you dearly and pray for you, too.

Henryk.

Thank You LORD

June was a month of many great visits. Here are some thoughts shared by our friends...

Friends from Oklahoma with polish hosts.

This was my fifth trip to Poland since March 2008, when I was introduced to New Europe Communications through HCJB Radio. Each and every trip has left me spiritually enriched at the work of God in Poland. The magnitude and facets of this ministry continues to amaze me every time I visit the radio station, or at a gathering of the internet ministry or simply worshipping in church.

This past month, Henry hosted two Christian counselors for a time of family and marriage ministry. Mike and Julie Davis are counselors with the non-profit organization, Abounding Grace in Oklahoma. Mike and Julie have been counselors for the last 20 years to individuals, couples and families; their ministry has been a blessing to our family. Also traveling were Liviu and Mary Neagoe from Romania. Livi and his wife minister to the people of Romania through evangelism, aid to orphans and orphanages and providing fresh water. Livi's work in water well drilling has blessed Romanians and several countries in Africa. The fun part will be to watch as God continues to connect these countries together in ministry works which proclaim His Good News. I am thrilled at the opportunity Radio

CCM has in providing leadership mentoring to Radio Fidelite in Niamey, Niger West Africa; this too was a result of an introduction of Krzysztof Budzisz to Yacouba Seydou.

Growth and progression of the ministry was evident on many occasions during my visit. Krzysztof received national recognition from the President of Poland, and we were blessed to be a part of this celebration. The team working on production was refreshing in the quality and technology they provide, but the youth available in carrying forth the Kingdom of God for this ministry struck an accord with me as well. At the close of our visit, the entire group commented on a meeting of mentors for the internet project. As we were introduced to the priest, pastors and brothers in Christ gathered around the table, we were blessed to see this ministry is one without borders. Just as the internet connects our world as if no borders exist, the mentor team connects to Christ in one seamless body.

I've seen the Google map and the decisions being made to trust Christ. I have reviewed the statistics. I've heard Henryk and Norbert talk about the great group of e-coaches who serve faithfully. I've been a big fan of Krzysztof's work with the radio stations and I've loved being at meetings in the US with many of the CCM Poland team.

But being with the e-coaches at their conference, with the radio team in their home environment, and taking the walk with Henryk to the newly renovated studio brought the whole picture into focus. The worship and teaching times were wonderful, the personal sharing times at meals were a touch of Heaven, the times at the radio station and studio were great. And there was one story that continues to come to mind: at the conference when 17 year old (pls fill in name) who had traveled 7 hours by train to be at the conference shared how he had come to know Christ through the website and was followed up online actually was introduced to his e-coach face to face. Praise the Lord for what He is doing through the CCM Poland outreach efforts. Thankful to be involved, Allen and Dale Weed.

After working in Eastern Europe for over 40 years, I haven't seen a ministry like this. Clearly something that God has allowed to develop through Henryk and the Polish ministry team.

Attending the conference and interacting with staff and volunteers made me feel privileged of being part of God's work. It's all about transformed lives through the redeeming power of Jesus. Thank you for being part of God's team!

Letters

A random selection of mail received during June 2013

I attended recently a funeral of a friend, 38 year old. Last year she adopted two kids aged 4 and 6. I can see no sense in her death. I already had problems believing in God, now it is even more difficult. Why would He take their mother from those children? Is there any answer to such a difficult question?
Bogumiła.

Please, help me. I've had enough, I feel totally lost and lonely. I have lost faith in myself and God. I tried to start believing, to change something in my life, but it always ended badly. I am not suicidal, but I do not see any deeper purpose for my life. I am often a distress my family, pretending to be something I am not. If God really exists, I wonder - why He has turned his back to me?
Asia, 16.

I think I am a believer, but sometimes I wonder if God, Jesus and Mary ever existed. Do I make my faith worse by having such doubts, is this a sin?
Zofia, 16.

How should I run my life in order to discover if there is any purpose to it? I lack for nothing. I am still studying and it fills my time. But, when vacations come, I have discovered I am lonely and have no close friends, mainly because I do not accept their behavior. I live with my family, but they do not care for me much, as I do not care for them, either. I have roof over my head, meals, can go out and have fun but I lack a sense God and cannot somehow start a relationship with Him. What to do?
Adam, 19.

A few years ago I had a very difficult situation. I met a man, we started to go together, but after 3 dates I found he was a little strange and I backed out of the relationship. I had no real feelings for him and did not want to just flirt. I told him that. On the next day I have heard he had committed a suicide. His sister blames me. Now, I have a big burden. I blame myself, even though I am careful not to harm anyone, or to act unfairly. How should I live and behave now?
Krystyna, 28.

How can I meet good people? What do I have to do to deserve it?
Anita.

I am an older man and often ask myself - how can I find God? I think it is through other people, developing relationships with others and, together, sharing the desire to find a deeper meaning in life. Please, connect me with someone who could help me
Anatol.

My problem is - I cannot believe that Jesus was a historical person. I don't know how to change, I would like to discover a new dimension in my life.
Klaudia, 19.

I found your page through a link on the Joyce Meyer TV program. I would like to develop a relationship with another person who could bring me closer to God. I am suffering back pain, it is a genetic illness, no cure is currently available. I am not dramatizing, still, would like my life to have significance,
Artur, 30.
