CCM media Update

Dear Friends of our ministry in Poland,

Thank you for all your prayers! As we see the wonderful guidance from our Lord we know it is because of so many people praying for us. This explains why we are progressing all the time, it's the Lord answering your prayers! Thank you for your involvement.

Annual conference of our movement, "Looking For God"

Yes, we have mentioned this several times recently in our newsletters as it is always a milestone in our work.

We had a wonderful time together. Over 220 people participated, from all over the country, representing different churches and fellowships, but with a deep

desire to reach others for Christ.

We had several guests; Eric Celerier, the Frenchman God used to start whole Jesus.net global movement; Peter Scheele, who developed "question driven e-coaching" behind the "Why Jesus?" course; Stan John, vice President of "Focus On The Family"; and Kathy DeMattee, chief trainer for "The Truth Project" program we have recently added to our portfolio of follow-up materials.

What has touched me personally the most? Well.... Plenty of things... Eric final talk on "how to stay motivated?" Answer?

1. See God's Spirit working through you in lives of others
2. See God's Spirit working within you, in your personal life, changing you;
3. See God's Spirit working in your team – when many people, in unity can build the impossible, because of the Lord.

Also Peter's "secret code" of effective evangelism, a password to open hearts: LP2C...

What does it mean???? Well, to help your curiosity, it stands for "Love People to Christ", this complemented by TLC (Tender Loving Care).

We had also an official launch of a "Project Family" that incorporates our Outback Poland ministry we have also referred to in recent "Update" newsletters. Great time of singing, praying, bible studies, educational sessions on promotion, small group leading, etc.. Also a course for 30 candidates for e-coaches.

European Leadership Forum

Norbert, Bogusia and myself attended a conference in Eger, Hungary. Several outstanding bible scholars were present, including John Lenox and Os Guinness. Very stimulating time, but also an encouragement

and an extension of our life perspective. Yes, the Bible has the answers to human problems, but do we diligently dig into it? This conference has pushed us towards that, definitely. It was also a great chance to network with many of the 750 participants, and talk about our Jesus.net project. I had 3 seminars and several people become very interested in implementing it in their country.

Personal

I am working all the time on self-discipline and keeping my body in a good shape. I have just lost over 10 kg which makes me very happy indeed! (Perhaps my wife, Bogusia, is even happier. I walk over 10 km every day in our beautiful countryside and limit food intake. :) The only problem is when traveling.

Family

Filip lives with us, as he also works for our company. He is an excellent worker and moved many things forward, incl. the Truth Project.

Pauline works in Krakow, but she will go for a month, in June, to Pennsylvania, as a part of her business training. She enjoys her job, but is still involved in a big way in our ministry... she organized our conference.

Szczepan is studying his 4rth year in Krakow – mechatronics. Last semester was very intensive for him, so he has almost totally resigned from his favorite pastime of mountain hiking. Together with his friend, Tomek – they supervise the GROW platform (our follow-up e-learning program) software and some of the content. In July they plan to go for two weeks to USA, to discuss some future developments and projects. Right after his return he will go for 4 months to Singapore, as an exchange student. Well, the World is changing.

Studio refurbishment

We have now a whole professional team working on our music studio in the mountains. The entire ventilation/heating system must be replaced, new moisture isolation of foundation/walls, new cabling, several new, contemporary systems, cable replacement, new lights, new décor. Well, last time it was touched was some 27 years ago. Our young workers are helping there as well.

Epilogue

We have a very intense life now. Early tomorrow go with Bogusia to the States and plan some 14 meetings in 6 cities. But we sense God's momentum and there are good developments both in our Polish ministry and on international level, with Jesus.net.

Please, pray that our efforts will be effective and efficient. As Peter Drucker stated: "Efficiency is doing things right, effectiveness is doing right things" We want to be immersed in the Lord.

Please, continue to pray for us and our various ministries and their impact on the lives of people, also all the resources we need to maintain them and expand them.

We commit you to the Lord! You are a needed and appreciated part of what He is doing in Poland!

Henryk.

■ May 2012 has been the best month ever in the history of our Radio stations. The number of listeners has reached a new high and income from advertising has broken all records. Right now, as part of our Radio Development Plan, we in the process of acquiring several new transmitters (as mentioned in previous "Updates").

What an example of God's mercy it is to be able to report these blessings. Many of you will remember past years when we asked for your prayers that we might have the strength to survive. Your prayers comforted and encouraged us and God answered them mightily - thank you!

■ After a short spring, Poland is enjoying a beautiful summer. During June we plan to start broadcasting from our new transmitter for Radio Fest, this will add 300,000 people to our potential audience.

■ During the past month (May) Radio CCM carried a promotional campaign for June's biggest sporting event - the European Soccer Championship.

In the main square in Gliwice we gave away free sausages to our listeners, over 1300 of them! People were really appreciative. We considered it to be just a promotional campaign, but it turned out that we fed many who hungry and needed some warm food.

■ Please keep on praying, I have shared some of the good news with you, but we still struggle with the workload and the day to day problems of broadcasting.

Krzysztof.

Some letters from e-coaches
who attended the recent conference

The conference has lifted me up spiritually. It was a meeting of Christians who do not want to stay in one place. Talking together and spending time strengthened our links, we are a family. Thank you to all the people who organized it.
P.

I would like to share my thoughts. I believe the organizers were able to make good progress in implementing God's plan. I am very happy! To summarize; "All the time something good was taking place"
O.

I want to thank you warmly for all you put into preparation of the conference. I was attending for the first time and am being trained to be an e-coach. I am enriched, encouraged and thankful to the Lord and you all. May the almighty God bless you richly and fill with His peace
J.

Letters from seekers

I have bad thoughts that are blaspheming God and holy persons. I am ashamed of it and want to stop them, but I still struggle with this. I do not want to be an offence but I feel very guilty. I am scared that perhaps Satan wants to take control over my life. What should I do?
Patricia, 16.

Why do I need to struggle so much? Why does God damage me? Why must my son must be in Poland and I live in Ireland? Why, even as I stopped drinking nine years ago and smoking six years ago, I now face 11 lonely years? Why am I so psychologically troubled? Do not tell me about the commandments, I need the real God!
Marian.

Why does God test me so hard? My older brother was recently killed in an accident, "friends" turned their backs on me. I had to move, I cannot seem to please my parents and have a difficult time at school. Why has all this happened to me? I am without any energy, nothing works. Thank you for reading this, but can you help?
Anna, 17.

I would seriously, sincerely like to discover the road to God. Can you help?
Roman.

How can I feel that God really loves me? Once I have experienced this, but I was scared to commit my life to Him and stopped. Can I get a second chance?
Ela.
