CCM media Update

Dear Friends & Prayer Partners,

Once again, we greet you in the name of our Lord and Savior, Jesus Christ who is giving us a reason and a purpose to live!

Things spin faster and faster, as our ministry grows. So many things do happen that it is hardly even time to write you about it. So as very busy summer approaches we do not plan to send next newsletter until early August. :)

Outback Spring 2015

The highlight for me was a recent Outback weekend. Some 100 "guests", 50 pairs of parents-teenagers and married couples, came to the camp site in the Southern Poland and once again experienced, totally unexpectedly and often from miserable situations, that God can take situations that seem humanly impossible (like reconciling couples ready for divorce) and give a new level of openness, communication and forgiveness after years of tacit hostility. I could not

stop the tears as I listened to the first-time shared testimonies of God mighty work in people's lives. Wow! It was our 5th camp we did and, as the Outback slogan says; "The last-one was the best". The infrastructure and hosting was taken care of by some 80 volunteers. Again, fantastic atmosphere, and now we look forward to the next event in September 18-20, 2015. Please, pray with us that the right people will come. All this work is based on prayer; soon we will start 40 days of prayer and fasting for the next event.

European leadership forum in Wisła

Before Outback, we had in Wisla a great conference of the European Leadership Forum. Some 800 leaders came, from 46 countries. Again, great lectures, but also seminars, discussions and mentoring sessions. In situations like this one of the highlights is the networking, meeting old and new friends and planning new cooperation for the coming weeks and months.

Synergy summit in Barcelona

Before "Outback" I went, with Norbert, Filip and Adam to Barcelona for the Vision Synergy Summit, organized by our close friend Phill Butler and his team. Again, some 140 people came together, (key leaders from many continents) to discuss how to increase our impact by greater cooperation.

Gele - our e-learning platform

Wherever we go, we show our new e-learning platform, Gele, and it raises a lot of interest.

Even as our great desire is to have all those partners joining Jesus.net platform, in some cases we offer our system to other Christian organizations as well. The new slogan (given us by Bobb Biehl, well known US advisor/mentor) is:
Gele – Scalable Discipleship

Thank You LORD

Progress on May prayer requests

1. It seems Krzysztof health is more stable, he has recently had a short holiday with his family!
2. Our team works hard to bring new updates to our software platform – so far it works really well!
3. A match was offered to us, from a new donor, to get some needed funding. Something we were praying for 6 months.
4. Excellent conferences we attended.
5. Phenomenal outcome of Outback weekend.
6. Spirit of unity, friendship and common goals among volunteers.
7. Our Polish Unshackled radio drama, aired daily on Radio CCM network is also aired in USA at Polish station in New York (!).
8. Radio has again increased its audience, after a time of little slow-down!!!

Please PRAY

July prayer requests

1. Launching new applications; a.) daily devotions, "Kazdy dzien "(Every Day)" b.) "Like Jesus" daily bible verses adjusted to individual profile of every person and c.) new multimedia resource streaming/downloading system – media.szukajacBoga.pl There is still a lot of work to be done on it!
2. Finding and funding new people to join our IT team. We pray for wisdom, have two candidates we are examining closely.
3. Continuing development of Gele/Codex platform for discipleship and growth; a new management platform for it.
4. Women's breakfast (July 4th) for 800 woman, then Dziegielow Gospel Week, some 2000+ people and our American friends speaking there.
5. Trip of Jacek and Ela to train Polish coaches in Canada and USA
6. Good time of rest for all the staff and volunteers.

Gele - our e-learning platform serves in almost 20 Jesus.net languages!

I like it a lot. Still, we must make sure that with the scalability we shall not lose the depth of personal grounding in Christ. A life of integrity, in intimacy with the Lord.

As Dr Dennis Kinlaw, US bible scholar says (in a daily devotions that we shall soon release in Polish as a mobile application) people must

1. Receive the Lord (His gift of salvation), but then
2. Become followers of Christ.

This is a long process and we want to focus on it. We have moved part of the promotion of our web pages from the initial "Access" phase into discipleship courses. We have less people coming to the "Looking For God" entry page and less "decision" clicks, but more than double people enrolling to discipleship courses.

As we discussed recently with Jan Willem Bosman and Eric Celerier, founders of Jesus.net movement, in Paris, the whole Jesus.net movement is making this change of focus and, after reaching 10,000,000 "decisions" via "the sinners prayer" we shall stop publicizing direct statistics as it is really hard to interpret the numbers. WOW, another innovation introduced by Jesus.net!

Well friends, God is at work and what He is doing is marvelous in our eyes. Thank you for staying with us, encouraging and praying. It makes a major difference!

Henryk and team.
