## media Update

### Valued partners and praying friends, everywhere.

Greetings from sunny, springtime Wisla! It is only in some remote mountain places you can spot little snow :) Lots of things are happening all the time.

### Radio

Radio continues to expand its audience, great news! We know the growth cannot continue forever but April was, yet again, a good month. Krzysztof (CEO) has been host to Brother Yacuba from Niger. There is a partnership developing between our stations. Our successful model targeting Christian radio at non-believers as a pre-evangelism tool, complemented with Internet opportunities for

the "next step" towards Christ, seems to be very attractive to many of the countries where overt evangelism is difficult.

### Internet

In Poland we run, in parallel with the original Looking For God evangelistic site, a new version we have recently developed. (We compete with ourselves!) At present we are testing to see if the new version is having as good (or better?) an impact as the original. So far results are inconclusive.

On an international scene, I am involved in developing Jesus.net foundation. We meet once a month for

a few days, a core group prayerfully looking for the best solutions to the challenge of effective implementation of Internet evangelism to the whole World (!). It is not intended to be yet another next organization, rather a very low key coordinating/training/inspiring body, ready to help/resource national partners implement tools we make available or – developed in different countries and brought for free to Jesus.net platform to be used globally. You may just imagine the scale of challenges that we face! But we are convinced the Lord has a big plan and we want to be used by Him, to fulfill the Great Commission. Please, pray for this initiative! It is to enlarge what is already working to a worldwide scale!!!!

### Outback

Our four Polish couples that have returned from a week in Mobile, Alabama (USA) meet regularly and invite more of their friends to grow new, grass-root level movement. We have big expectations for our annual conference, May 11 - 13 where it will be officially announced and offered. Lots of materials are already translated.

## GROW

We had our first Polish annual “GROW” and “Christian to the core” (follow-up programmes) conference in Łódź in April. Wes and Joy Griffin came to help teach and share their vision. Over 30 people participated and they will be the first “e-coaches” for that platform. We believe these can transform many lives, moving new disciples towards spiritual maturity.

## Polish Board meeting

We had a good meeting, rejoicing greatly with the blessing we observe in recent years. We were visited also by two members of our US 501-c3 support structure: New Europe Communications. Its US office has a new address now; it is: PO Box 716, Monument, CO 80132, USA

There is also new banking information: please, find it at our NEC website: [www.nec.ccm.pl](http://www.nec.ccm.pl)

The old addresses will still be open for several months.

## Epilogue

The really big thing for us is our Annual Conference, “You Are Needed”, for our e-coaches and candidates/volunteers. They really make the whole ministry grow, they are the front-liners. Please, pray that this year’s conference will fill us with a renewed vision, passion and motivation “to present our bodies as a living sacrifice”

Please, continue to pray for us and our various ministries and their impact on the lives of people, also all the resources we need to maintain them and expand them.

We commit you to the Lord! You are a needed and appreciated part of what He is doing in Poland! Henryk.

Polish Board meeting, excited about the future!

# Thank You LORD

Progress on April prayer requests

1. Truth Project materials (almost) prepared for the conference next week.
2. A wonderful conference of GROW platform in Łódź.
3. The Outback group meeting regularly praying for the next step.
4. Good Radio progress – audience and finances.
5. Several new Internet initiatives fulfilled and running.
6. Wonderful group of innovative people working on Jesus.net Foundation.
7. Excellent visit of HCJB engineer who trained our service man how to repair our transmitters (that tend to break down quite frequently).

# Please PRAY

May prayer requests

1. Excellent launch of Polish Truth Project May 11 – 13, 2012.
2. Blessing for our May 11-13 National Conference of our movement. Still lot of preparations.
3. Meeting our financial needs in 2012, including Polish donations. The beginning of any year is always slow. We now need new monies to keep the momentum and accelerate grow!
4. Getting the new Zabrze transmitter for Radio FEST. It is part way done already.
5. The replacement transmitter in Tychy and the new transmitter for Rybnik. Problems with licensing for that.
6. Preparing applications for project funding in 2012.
7. Helping new countries to get into Internet Evangelism. Now we pray for Ukraine, Slovakia and Niger.

## Letters

A random selection of mail received during April 2012

Hi, I have quite a number of questions concerning believing, the Bible, religion, etc.. This is just a test mail, I want to find out if anybody will connect with me.  
Roman.

I want to die, I do not believe in anything and since I was 15 years old I've continually been in trouble. I used to spend my time helping people but now, today, I am alone, without a job and without any help. Prayer does not help, even St. Rita is not listening. My mother in law has cursed me and now has reached her goal - I do not want to live any more. Suffering and loneliness have overtaken me, I have not deserved this.  
Is there any hope?  
Anna.

If God loves me - why can I not feel it and somehow see it and sense it in my heart?  
Zofia, 17

How can I pray so that God would answer?  
Bogusia, 15.

How can I differentiate between a small and a large sin? Impure thoughts, even though I fight with them and they don't lead to anything, are already large sins. My doubts - are they large sins? How to find the road has God prepared for me?  
Krystyna, 17.

What does Christianity teach; was the World created in 7 seven literal days or through millions of years? There are so many contradicting films about it on YouTube on it. I do not know what to believe.  
Zygmunt.

Is masturbation a sin? I am a believer, I do not have sex with my girlfriend, we're waiting until we are married. But the stress is incredible. I have bad conscience.  
Romek.

After reading your page I must think who Jesus is for me? How can I experience Him, how can I meet Him?  
Franek.

Today I have given my life to Jesus. I love you, Lord!!!!!!!  
Euzebia.

I've been doing drugs and alcohol for several years. Is there a real chance God could help me to get off them? For real?  
Mariusz, 31.

I am in a middle of tornado in my life. I do not know what to do with myself and which way to choose to be freed from this turmoil. I cannot sort things out in my head. I don't know which way to select because I do not know what would be good for me. I would really like to discover what God has prepared for my life and follow it,  
Monika.
