CCM media Update

April was very good for us, again...

Jesus.net conference in Wisla, Poland

150 people from 28 countries came to Wisla, for our 5th Jesus.net conference. It was an amazing fellowship of people, who had committed their lives to evangelizing and helping new converts to become disciples of Jesus by using the Internet – web, social, e-learning - on all available devices. We were overwhelmed by the goodness of our Lord – we had great worship times, sharing the best working scenarios for effectiveness, hearing about new tools that are in the pipeline, etc. A prevailing spirit of unity

and excitement filled our rooms. During the conference two new languages were added – Swedish and Albanian, raising the total number to twenty six. A special “smile” from the Lord was that during the final, closing service of the conference the 8th million person decided to commit his heart to Jesus. He was from India, again, pretty symbolic as the next conference is to be held in 18 months’ time in India. Wow! The Lord is so good to us!

Our Polish-developed new e-learning technical platform – Gele – is to become a base for a major CODEX (Jesus.net e-learning method) discipleship system to be used by Jesus.net partners in all languages. What a thrill it is for our team who have put some two years bringing it to its present stage!

Dreams and plans

On all conferences a very valuable time is networking. Lots of new ideas emerge as a result. In our Polish team we had with us our Catholic partners, together some huge dreams were shared, e.g., like

bringing our discipleship materials (based on “Christian to the core” developed originally by International Leadership Institute from Atlanta) to the whole Catholic revival movement and, later, to the whole Catholic church, or being actively present during the 2016 Global Youth Day planned in Krakow where up to 3 million young people from all over the World are expected. Please, pray that we shall be led by the Lord in the right direction.

Board meeting

On April 12 we had our DEOrecordings Association Board meeting to examine our present status and discuss future directions for our expansion. There are so many new openings, that we need God’s wisdom to keep all our operations in balance. Yes, we have a green light to serve more on an international scale, helping interested parties to start their own Internet ministry based on the Jesus.net standard that has proved to be so effective! Again, we were filled with thankfulness as our progress is so visible in all categories!

Radio developments

It seems that the trend of audience growing continues! Once again we had increased numbers of FM listeners, but research also shows that the radio internet audience continues to grow, yet again, a new record! Praise the Lord!

Filip and Justyna wedding

Yes, it has happened! More about it in Peter Bye paragraph below.

Filip and Justyna wedding

My first Polish wedding. How different would it be? Would there be a wedding? The groom was nowhere to be seen! A man rushed down the aisle and waved frantically to someone. Some music started.

Then... the bride and the groom came in together, the Polish way!

Two quite exceptional young people married in a church packed full with Christians. It was an unusual event even by Polish traditions.

The only way you could know the extra ordinary atmosphere was to be there.

It was a beautiful, moving totally unforgettable experience. An expression of God-centered marriage and Christ-centered hope.

Peter Bye.

Thank You LORD

For two years I have prayed for my child, but nothing has happened so far. Do I pray wrongly? Or should I not pray for such things?
Marysia.

This was not the very first time that I have prayed this prayer (the prayer accepting Christ at the end of "Looking For God"). A number of times I have experienced God's presence in my life in a "touchable" manner. It should now all be OK with my life, but I still see little "gods" that absorb my attention. One of them is money. My wife took a number of credit cards and went abroad (still, I am not despairing). I am left with debts that I must pay back every month, leaving me wondering if I can meet my financial obligations. Will there be anything left for life? I bring it to the cross, but thinking about money still troubles me a lot. What to do?
Marcin.

In spite of my age (60) I cannot pray properly and listen to what God has to say to me. What to do? Please, connect with me
Zofia.

I am sincerely looking for God, how can I experience His presence?
Zbyszek.

Hi, I am 17 and have many doubts. I know I am far away from God, for me the question is does He exist at all. I am horrified when I think that if I died today I would not have an eternal life. I need some help, nothing brings a smile to my face, I cannot find a place.
Agnieszka.

In spite of the fact, that I pray and go to church I make lots of mistakes in my private life and business life. How can I know that things I plan to do are really Godly?
Beata.

I am trying to discover God anew. I am 17. Why do you claim, that God can lead me in my life? My decisions make a real impact. If I prepare well, I will pass the exams and will be accepted at the university, it will be because of my determination and work. I must work hard and learn, it is 100% down to me. I do not know that I could attribute it to God?
Ewelina.
