CCCM media Update

Dear praying friends and partners

I feel very much now like I'm living in the fast lane. The Lord is very good to us, as evidenced by the continuing upward spiral of responses to our evangelistic and discipleship programs, bringing with it increased workload, opportunities and new demands.

Times are definitely very challenging, and we are convinced –the only solution is to surrender totally to Jesus, be transformed by His power.

The real challenge is

to have a constant stream of new volunteers, who

Christian to the Core training in Malenovice

would wholeheartedly, with passion – get involved in expanding spiritual growth projects. We have now some 2000 people who have completed the Christianity Explored (CE) 10 weeks course. But we still need even more group leaders to meet the demand. This is why we plan and pray for the next CE training conference on October 29th. in Katowice. Just recently we had very good training sessions in Malenovice for the next group of 30 leaders for the 12-week discipleship program, “Christian to the core” (C2C). In my home church, last week we have started this 12-week program of discipleship and leadership with over 100 people participating in home groups. Because of this growth we now print all the materials as photo-copying has become too expensive.

The real challenge is to have quality, dedicated people being called directly by the Lord, “to give their lives as a living sacrifice” as leaders. Last weekend in Katowice there was yet more training sessions for e-coach candidates, the next will be in Poznań and Gdansk. Please, pray that the leadership will not get tired and burnt out.

Internet conferences

I participated in two excellent Internet evangelism conferences, one devoted to Muslim evangelism and the other, our Jesus.net conference in Rotterdam I have not a single doubt the newest and most

Jesus.net conference in Rotterdam

effective tool, capable of reaching millions with the Gospel, is the Internet

But it is not just about clicking a YES button – a whole discipleship program must be introduced by nationals in all those countries. This is a huge challenge, of course, and we, in Poland, want also to be open to the needs of other countries. The model that we have developed in our “easy”, free World conditions must be adapted to very different circumstances in other countries.

The Rotterdam conference was a celebration of giving the glory for millions of people that have already committed their hearts to Jesus. There is so much progress: social network evangelism, a mobile phone evangelistic platforms, our own e-learning platform that was officially announced in Rotterdam, together

with dear friends from International Leadership Institute who have implemented with us their excellent Christian to the Core program.

Radio CCM and Radio FEST

Krzysztof and all the radio staff cope with their challenges – to maintain (and expand) the audience, influence it towards the Lord and maintain good advertising revenue that is so vital if we are to be able to implement all our plans.

Income always decrease in Summer but fortunately in September we met our target, making everybody very happy! Thank you, Lord!

Epilogue

We had some great visits with us – our partners from HCJB Global radio, partners from Enid, Oklahoma, partners from Colorado Springs and so on. It is always stimulating to talk with all these friends, it helps to clarify our vision. We see His hand leading us and want simply to let Him guide us, step by step.

Many thanks for standing with us. Prayers make all the difference! We commit you to our Lord!

Henryk.

From the desk of Krzysztof Budzisz

September was exceptional in Poland this year – very sunny and warm. It looked as if the sun wanted to make up for lost time and weak work during the summer :)

Unfortunately we cannot stop working intensively, there is no time to sit back and relax. We have to have new programmes for our listeners every few months. Listeners always have high expectations about the quality of commercial radio programmes. If you stand still, you will lose listeners.

It is very easy for everyone to switch to another radio station – it's just pressing the button. If you buy an old car, you begin to find more and more things wrong with it, but you can only afford to change it every few years. With a radio station it is different – you can change it very quickly and it doesn't cost anything.

We try to be more interactive with our radio stations – there are more than 2000 contacts by webpages, facebook, sms and e-mail every day. Dialogue with our listeners helps us to better respond to their needs and tastes, that includes their spiritual needs.

In October we changed the programme lineup in CCM Radio and FEST Radio by introducing six new programmes. We also have a new announcer

– you will meet him in the next newsletter :) For a few weeks we have also had a new programme in CCM Radio – „Insight For Living” by Charles R.Swindoll now appears 4 times a week. We believe that it would influence our listeners lives, give them hope and the one (and only) real solution for their lives here and in the eternity.

September was also a month of very precious and valuable visits to our radio stations. We had wonderful quests: Carol & Kyle Williams and Rachelle & Wade Burleson from Oklahoma, friends from HCJB – Wayne Pederson, David Pasechnik, David... & Steve , these are people you may never have heard of, but they give me invaluable encouragement, support and advice.

And finally - wonderful news! Radio CCM has received the 10 year extension to the licence. Thank you for your faithful and earnest prayers in this matter Please, continue your prayer for us – for good results in sales, achieving financial and technical challenges, for our co-workers, energy and spiritual development for them.

Yours in His service,
Krzysztof.

Letters

A random selection of mail received during September 2011

I have a problem with pornography and masturbation and finding my place among people. I am 27. Can you advise|?

Karol.

I was very touched. I would like to start a relationship with one of the e-coaches, I need to learn so much more!

Angelica, 16.

I want Jesus to guide me in my life and fill me completely. Please, contact me,

Frania.

All I think about is suicide. I know it is a deadly sin, but my problems join together to make my life one big, continuous problem - and I've had enough.

I would like to be close to Jesus, because here on earth there is only heartache, evil, jealousy and total indifference towards all that happens in the World.

Jesus was the best thing ever happening to the Globe. But He is no more around, after seeing all that I have just described - He also has left this World. Life without Him does not have any meaning. Please, help me

Stanislaw.

I would like to talk with someone who could help me to strengthen my faith.

Norbort.

How can I change my life? How can I know that on the other side of death is my God?

Natalia, 13.

Is there any way to avoid sinning in everyday life? What should I do?

Andrzej

For a year I have had a problem finding enough courage to go to confession. I feel so empty without Christ and I don't want to sin any more. I've lost my way in life but I'm too scared to talk to the priest, I have done such awful things in the past. But I have changed and I would like to prepare for my communion. Can you help me?

Krystyna, 15.
