CCM media Update

August and September was so busy for us that we had hardly a chance to write to you! I apologize for that, life is moving fast and we are seeing so much blessing!

In August

Lots of guests and great visits but then, on the 29th, the wedding of our youngest son, Szczepan to Marysia. We are so happy to see them happy! Now, as I write, they have left for a two-year stay in Salzburg, Austria, where Szczepan is to work for a high profile advertisement/social media company. He wants to expand his knowledge even more and learn from the very best in

the industry. It is only six and a half hours drive away, so we believe we shall see them frequently. Szczepan is to continue his involvement with some our projects that he started.

In September

There were five conferences, one immediately after the other. It started with Eric Celerier, Founder of Jesus.net and his wife and son coming for a vacation but we were talking all the time about the growth and plans for our joint efforts. During this period Eric was able to arrange for us a Google Addwords Grant (value of

\$10.000 /£6,200.00 a month) to be used for Addwords promotion in Google search engines! This is fantastic news for us as every month we are spending substantial sums on promotion and hopefully it will be subsidized by this grant!

Then we were joined by teams from France, Netherlands, Switzerland and USA (13 people) to launch in Dutch and French their “Why Jesus?” programs on our Gele/Codex platform. It went smoothly and if, after two months of tests there are no serious glitches, it will be made available to all 26 language partners across

Szczepan and Marysia with happy parents!

Gele/Codex two day workshops - Poland, Holand, France, Swiss, USA

the world. Poland is to be a service center for this massive outreach. Expected, monthly traffic will exceed, hopefully, after some two years, 20 million a month. You may just imagine the complexity of the new system we are building. Please, pray it will meet our expectations.

We also had important discussions with the Executive Team – praying and looking forward to a “next step” in the development of Jesus.net.. Some important decisions were taken.

Right after that, we had our Outback weekend, where 37 couples (parent/child and married couples) came to improve their relationships. This was the fourth-one we had had in Poland (they run twice a year) but, as is the Outback saying, the best is always the last one. Again, witnessing God’s Spirit at work, reconciled couples who were already separated, etc.. Wow! Mack Ogren, (International Director from the US) was with us, what a thrill is to fellowship and work together! The next Outback we plan to be even bigger, as big as the venue will allow. God’s miracles take place there!

Outback Poland 2015 - many miracles!

Thank You LORD

Progress on August prayer requests

1. Great meetings, conferences – what a blessing!
2. Wonderful Radio numbers!
3. Improvement of Justyna’s health.
4. Adopting Gele/Codex for whole Jesus.net Global movement.
5. Spirit of unity, friendship and common call among volunteers.

Please PRAY

October prayer requests

1. Finances to keep us moving at full speed.
2. Special blessing for Jan Willem Bosman, director of Jesus.net movement as he looks for best models for governing this incredible worldwide ministry.
3. Continuing development of Gele/Codex platform for discipleship and growth; adding more countries to the platform (now four).
4. God’s guidance as I am in talks with some friends in International foundations about their support.
5. Wisdom and passion in stimulating all the volunteers, e-coaches and small group leaders – to keep on, start new groups, etc.

Then, in this same conference center, H2O, an ILI – History Makers weekly leadership program for young leaders (18 – 30) was held. I talked to just two (of the 19) participants and they said; “the best conference they have ever attended in their lives”. We plan two “History makers” next year.

The top event for us was our annual e-coaches conference. We had some 170 people attending, again, great stimulation, wonderful fellowship and good teaching. We had Phill Butler from Seattle and Harold Sala from Los Angeles, long term Friends who have blessed us with wise, bible centered messages relevant to this group of heavily involved volunteers. Thank you, Lord!

Life speeds up all the time! We started regular monthly meetings of project coordinators within our KnowingGod movement. To make sure we are progressing in all areas we have three new friends joining the coordinators group, such a joy and a blessing.

Radio – just a short info, but VERY important. Radio CCM had highest ever number of listeners in Gliwice – over 30% of market share between all radio stations, becoming no.1 station there! This has translated also to a better income, a wonderful answer to prayer as we have such major financial needs.

Highlight of the year - our annual conference - time of encouragement, fellowship and training for our growing KnowingGod family.

History Makers - Young leaders ready to change history

A random selection of messages received during September 2014

Hi, I'm so lost and I don't even know how to start. Can you reach to me?

Alex

I believe that someone here will give me advice how to find Jesus!

Paweł

I'm trying to find true happiness but like other people I feel guilty because of my past. Alcohol, gambling, hurting other people. I can not forgive myself. Since then I often ask myself how to find true peace, true happiness.

Marcin

Help me to believe that my existence in this world is not by mistake. Help me restore my faith.

Iza

I can not handle my life. And I know the reason - I mooved away from God. I want to find Him again because I feel a great emptiness.

Martyna

Does God exist and can I trust Him?

Jurek

How to start my life with God? What to do at the beggining, where to start?

Jola

How to overcome when everything is falling apart?

Anna

Where was God for the last 23 years of my life?
