CCM media Update

Dear Friends & Prayer Partners,

September/early October has been another great month. I realize how often I say this, but the reality is that the Lord is overwhelmingly good to us and so many prayers, (including yours), are answered!

Outback

The Outback weekend was very special. As we had more candidates than places to attend (just 50 couples, parent child and married couples), we had to

select people to participate, the criteria was “how difficult is the relationship between guests?” The most difficult cases got preference.

The result was that 70% had one person in the couple who did not want to come (!). Initially, three couples were determined to leave. But the bigger the struggle, the greater the victory. Nobody left before the end, and the most negative ones were transformed in a way only God can do! Again, moving testimonials

of couples who were living apart and had agreed to divorce finding “anew beginning, but with God this time”.

A 27 year old daughter telling mom for the first time in her life how much she love her, daughter reconciled with father, etc. WOW! Thank you, Jesus! All the glory to you!

Outback weekend was amazing time! God restored marriages and relationships and new people came to know Him!

IISA

Then I went to International Internet Strategic Alliance, where for three days we were discussing the best ways to help Muslims to discover new life in Jesus. This is particularly important, as now we see hundreds of thousands of refugees entering Europe, many disappointed with their religion. It seems, that some of the collaborative spirit of Jesus.net, and the technology we have developed can be used to help with the process. It is an incredibly complex situation, the more I hear the more scared I am, but it is a historic opportunity to show Christ's love and friendship, and point to the very source of it.

You are needed! conference

Last weekend we hold our annual Looking For God e-coaches conference, "You are needed". This year topic was: "From Evangelism to discipleship". The speaker was Jih ren Chang from Malesia, an International Leadership Institute (ILI) regional coordinator in Asia Pacific. The Lord has really used Jih ren, he was speaking to the hearts more than to intellect. We must first be disciples of Jesus and only then become a model to others. I was personally very touched, seeing how Jesus lived and how comfortable our life is now. Lord, I deeply long to be your disciple! It was a profound message and soon it will be available on our mo-

bile resource platform, so I will inform you about an opportunity to listen to it.

An incredible blessing is our music band, Cześć, who accompanies all the events, conferences, outreach (besides playing every Sunday in our church). Their humble spirit, focus on Jesus and musical competence bend together towards a "pleasant fragrance of worship". Their impact on the ministry can not be overestimated! Most of the musicians are also on our staff as young IT/multimedia specialists :) What a blessing! Thank you, Lord!

Well friends, God is at work and what He is doing is marvelous in our eyes. Thank you for staying with us, encouraging and praying. Your support and prayers make a major difference!

Henryk and team.

Thank You LORD

Hello, my name is _____. I am 28 years old. I have suicidal thoughts and I don't have enough courage.
It's all because I do harm to my close ones - my wife and daughter. We're married for two years and it happens that I hit my wife sometimes. I regret that very much. It's like amok and I can't control myself. My wife gave up and she lost hope. I don't want to live anymore. I don't have anybody to talk to... My siblings never were taking me seriously. Is there a reason to live...?
Man

Hello. I would like to ask somebody for a prayer so I immediately thought about your site. I was once on one of your conferences:) My spiritual life is pretty poor for some time now. I can't find a church anywhere near. Could you help me? I met nice guy that is seeking for God but it's hard for us to stay pure. We're both praying for that. We want to get married soon.
