CCM media Update

Dear Friends of our ministry in Poland,

Summer is almost over, but finally my wife, Bogusia, and myself plan to go, Sept. 4 – 11, for vacations. There were quite a number of very important meetings and opportunities, that and we felt compelled to re-arrange our original plans. The good news is – when everybody is back to work we shall go out :)

Time of repairs and renovation

The Studio

Big progress! The ventilation plant is replaced and fully operational. Nevertheless, we discovered that in summer, as we replace the air in the studio 15 times per hour to ensure maximum comfort, the temperature was the same inside the studio as it was outside. We had some really hot days (for Poland!) 30 Celsius or 90 F – and it was not bearable. So Jurek, who oversees the operation, has decided to add an air

conditioning module. It is to be installed in the next few days.

In the mean time we are recording several clients – so the repair/renovation work must be postponed when the microphones are open. The studio interior renovation will be started at the end of September. We pray it will last for at least 20 years.

The Office

The offices and the small studio in the offices have required major renovation due to pine martins who found our roofing area a to be wonderful accommodation at night (and the insulation to make a tasty meal!!) is also nearing completion. Now we need only to paint fresh drywall and put in acoustic tiles and new carpeting. Estimated time to completion - nine days???

August events

A number of meetings and conferences.

Norbert was involved in a small “History makers” conference, based on “Christian to the core” material, aimed at young people.

A similar seven-day program for a larger group was held at the H2O, a new, nearby Christian camp center, with some of our friends from Britain and US helping. It has finished just today, as I write this, and has made a major impact.

Together with Krzysztof, we had a pleasure to host (and travel across Poland) with our dear friends from the USA, Roland and Bill. They are considering starting a Hispanic Internet outreach in California, where Roland operates some 42 radio stations targeted at Hispanic people. We met with a number of our Polish e-coaches, talked to several leaders, to give a better picture of “how it really works”.

It was also a very encouraging time for us to have an opportunity of meeting people “on the front line”, several saved through initial contact on the Internet.

We also had a four-day meeting of the Jesus.net leadership team, this time in Poland. It was, again, a fantastic time of fellowship, but also clear decisions on how to stimulate further growth of this global movement. We have a clear goal, to see people not only

Now it is done...

Jesus.net leadership

Lord is blessing our ministry

clicking their “decision” button, but growing in discipleship and spiritual multiplication up to the point of getting rooted in a good fellowship or church. Our software development team has finalized version 1.0 of the GROW on-line discipleship platform. It is to be launched as a public beta (testing) version on September 9th. If you are interested in testing this system in a real live situation, please, write to me and I will make sure you will get accepted :) The side effect is – you could GROW in your faith.

Radio

Radio Fest is airing now from a new site in Zabrze. During September we plan to replace the existing transmitter with a more powerful unit. Please, pray for it.

Summer is usually very slow for advertising sales. This is why we pray that the next months, even when the economic slowdown is finally being felt in Poland, our sales team will be successful in reaching their sales targets.

So much more...

1. The “Christianity Explored” program, used already by several thousand Poles, is to be adapted to an on-line version. We pray it will be another effective tool to reach people who, after completing the “Why Jesus?” on-line course, will wish to move to the next level, but live far away from our e-coaches or lively churches.

2. We recently had a training session for “The Truth Project” (TTP) discussion group leaders and 51 people came to that eight hour long event. We hope and pray that it will make a major difference in our Polish society!!! TTP is to be offered to all those interested who have completed CE, Akademiaplus, our discipleship program, and have some intellectual/biblical questions they would like answered. (Just another step forward.)

3. Outback men’s meetings have already been launched in three cities: Ustron, Katowice and Opole, as “seed groups” to be ready to accept many new men after an October 6th meeting with Mack Ogden and Bill Highlander; leaders of that fine US based family/youth oriented ministry

Epilogue

We have changed our mailing system for the mailing of this newsletter. We just hope you will get it flawlessly!

Please, continue to pray for us and our various ministries and their impact on the lives of people, also all the resources we need to maintain them and expand them.

We commit you to the Lord! You are a needed and appreciated part of what He is doing in Poland! Henryk.

Promotion is important... Jonathan, son of Mateusz, our sales director

Thank You LORD

Letters

A random selection of mail received during August 2012

Hi, I would like to change, to become a better person, I would like to understand more, but do not know how to do it. I have so much aggression, hate and jealousy. I do not trust people. Once I was a believer, but after the death of my mother something has ended and I cannot change that nor find my way. Please, give me some advice.
Aniela.

Hi, I would like to find out, if there is still a chance to become an e-coach? Some time ago in our church there was information about this program and we were told what this ministry is all about. I was personally searching for God and He has found me first. Now, when I know how wonderful is life with Jesus I want to share this with others. If it is still not too late, please, let me know when I could get training and what should I do,
Martyna.

I have a few life problems. I do not know how to converse with people who irritate me. Catholic fanatics say I am a Jehovah's Witness and anticlerical. But a Christian friend says that I am fascist. I would like to discover who I am, stand on a solid rock, have good points and references while talking to atheists.
Jurek.

I would like to find out, how to love truly, so that God would like me.
Adam, 19.

How can I detect if it is God that is calling me?
Ania, 16.

What are rational proofs that god or God exists?
Franek.

Are there any historical facts that God / Jesus existed?
Andrzej, 15.

I have a question. My acquaintance has committed a suicide and I would like to know how God views such people and what has happened to his soul now? Will he go to hell?
Zbyszek.
