## Dear Friends,

The scene outside our windows is proof that summer is almost over, it's raining and it's much cooler! It is wonderful that our Lord is ultimately in control of nature and we may joyfully look forward to the next season. In the areas where people take control (like politics) it is more difficult to stay calm but, as the song says, "He Holds The Whole World In His Hands". Very important to pray for peace, as we see some developments in the Middle East the only comfort we find is in Jesus!

## August

was a mixture of activities, e.g., the History Makers discipleship week for young people, that was very

well received by participants, some of them declaring "it was the very best conference we ever have attended". We pray their decisions will be implemented in the next 12 months and all that enthusiasm will bring good fruit.

We were also working on preparing the second Outback camp, planned for Sept. 20 – 22, 2013. Our organizing group meets regularly to prepare all the details and also pray for all those who will participate. What a special time it is – when people reconcile with their teenage kids or spouses! But as it is a spiritual warfare, we ask for your prayers as well. Some of us were also on vacations – great break to rest and get new dreams.

## Radio Ministry

finds that summer is usually a slow period as most of our commercial clients are on vacations. It is not easy to struggle (yet again) with finances, and we look to September for income to come back to "normal"

The great news is that the latest official research of radio audiences has showed that we now have the highest ever number of listeners tuning in to us every week – 683.000!

## Christianity Explored

(CE) has now been operating all over Poland for several years. The small group version of this great programme currently has approx. 400 groups me-

History Makers conference in Poland

Over 20 young leaders on passion for God

Planning session for Outback Camp

In Switzerland with Beat Bauman, planning cooperation

eting regularly. Now we are near to completing, an on-line version for people who, for practical reasons, cannot attend a small group. We are looking into a newer version of CE being developed by our British partners. There are also plans by some of our Catholic leaders to introduce it to the whole Catholic Revival Movement Light - Life, as the curriculum to be used by thousands of people! Wow! We start the initial training of their leaders in October.

### Lithuania

We are invited by friends from Lithuania to help them start their national Jesus.net movement. We plan a trip early October there, to meet with leaders, talk about it and share the concept and possibly - first e-coach training. The final decision of start must be consulted with Jesus.net

Partner Relations team, but we want to do the groundwork and see how passionate/devoted are the people there... It is also a joy to share with others, and as our Polish ministry is maturing - we want to be involved also in other places where we can help,

### Epilogue

My wife Bogusia and myself still plan a one-week vacation. We are so much looking forward to it! We pray to have our strength renewed and get new drive for the next, very busy, year. It seems the exponential progress of our effort continues. On a personal level both our sons are now engaged, so next year will be a year of weddings for us.

We pray for external funding so that we can maintain our momentum without interruption. Please, pray for it with us! Your prayers and support are needed and appreciated and very much a part of what God is doing in Poland! We love you dearly and pray for you, too.

Henryk.

## Letters

A random selection of mail received during August 2013

As I pray, should I turn directly to God or should I pray through Jesus or Mary?  
Monka.

I am very shy. When I was attending primary school, it was OK. But now I'm in grammar school I feel very lonely. I would like to have a girlfriend, but I am scared of being rejected. It makes me so depressed, I don't want to go on living. I would like to close my eyes and never wake up again. I have seen the testimony video of Olga and she faced exactly this same situation. Then she was rescued by Jesus. I would also like to experience that. What should I do?  
Marta, 15.

Hi, I have been a disciple of Jesus for 20 years but I am disillusioned with girls. All the women I've met were either cheating, pretending or immoral. Is it not better for me to live only with God and Jesus?  
Peter.

What will happen to me after death? Is the Bible really true? Is everything the priest says true? Is the church always speaking the truth?  
Kamil, 14.

Can God really forgive all sins? Is there hope for me? Please, encourage me.  
Alicja.

I found on your portal that you offer some courses on-line that are to help people to know God even better. I would like to do it very much. Please, advise me how to enroll  
Lidia.

My girlfriend has left me, I have lost my sense of life. Is there a chance for me?  
Andrzej.

I go to church, I believe, but I have some serious questions about other religions. Islam also talks about Jesus. Is there just one God who we all see it differently? Was Mahomet not a prophet of God? The Koran seems to confirm the Bible. I would like to discuss these things with someone who is knowledgeable.  
Zofia.

I have a serious question. I am a believer, I go to church every Sunday. But in the past there was so much more of God in my life! I attended many pilgrimages, weekday meetings, etc. Now I feel alien. How to regain my former faith, live with God every day?  
Ola.
