CCM media Update

Dear Friends & Prayer Partners,

Back to real life! After a beautiful and very hot summer we are back to our routine, quite a pleasant feeling!

Again, we were somehow busy, but also had some time for vacations. There are many friends passing through Wisla during vacations and it is always nice to have a

reunion. Bogusia and I also spent a whole week on the lakes in mid-Poland, it was fantastic as the water was cooling us down while air temperature was reaching 37 degree Celsius.

As I had little more time to think, I started to work on new material for an on-line course, called "Towards Spiritual Maturity". I was inspired by a great book The Spiritual Quest by Luder Whitlock Jr, whom we

had the pleasure of meeting twice this year. It became obvious to me that we should challenge the people who had made a decision for Christ and started the process of growing towards discipleship, to strive their hardest to become mature followers of Jesus, to be His hands in the contemporary world. We will not give any Certificate Of Maturity after completing this course, it is an ongoing process that ends with our last breath. Yes, we want to finish strongly (Philippians 3:12-14).

September is busy, every day important meetings, lots of traveling, in fact, back to normal! Last Sunday we finished the 'History Makers' week for young leaders with our daughter, Paulina and our son, Filip leading it. In the meantime Bogusia and I went to London to finalize an agreement with [Christianity Explored](#) on using their excellent program we already operate on-line in Poland for whole the [Jesus.net](#) family of languages. :)

Group of young History Makers - lidership training

This weekend we have a long-awaited **Outback weekend**, again. We expect some 50 couples (married or parent/teenager) and some 80 volunteers. As the work grows from edition to edition (now in its sixth incarnation) we must add more tents, mattresses, etc.. Please, pray that the weather will be perfect for us and that we will again witness God's move among us. The reason for the growth in Polish Outback is that it makes a real difference in people's lives so they share about it with their needy friends, who want to experience it too. For the 3rd time we shall have friends from **Ukraine** who plan to start Outback in their own country next year, God willing.

We are also immersed in preparations for our **Annual e-Coaches Conference**, called "You Are Needed". We expect a friend from Malaysia, Jih Ren, to be the speaker. Please pray with us for a real awareness God's presence among us, we want to be effective and use our lives well, according to His will.

Well friends, God is at work and what He is doing is marvelous in our eyes. Thank you for staying with us, encouraging and praying. Your support and prayers make a major difference!

Henryk and team.

Special concert in town of Wiśła by our 'Cześć' music band.

Thank You LORD

September prayer requests

- The subcontracted work on new applications that are somewhat delayed; (a.) "Like Jesus" daily bible verses adjusted to the individual profile of every person and (b.) new multimedia resource streaming/downloading system – media.szukajacBoga.pl (Looking For God). There is still a lot of work to be done on it!
- To avoid this kind of problems, we still need another man to join our IT team, a mobile application developer. We pray for wisdom, having two candidates that we are considering.
- Continuing development of Gele/Codex platform for discipleship and growth; a new management platform for it.
- Preparations for the next Outback weekend, September 18 – 20, 2015, and National Conference
- My September travel, for strategic meetings: Czech Republic, Finland. Safety and wisdom/blessing

If I pray in my thoughts does Jesus hear me and understand me?

I'm young but I don't have any reason to live longer... I'm thinking about a suicide. I don't know even what to ask you. Maybe this is ma calling for help... I don't know..

The more I pray the harder it is. I am afraid that maybe I am doing something wrong? I have bad conscious because of things I do. Even when I write this I think that I shouldn't complain... This year my dad lost job again, my mother discovered cancer... than my beloved grandma died.. my brother felled into depression, he has no income too.. My dad got into debt and it's very hard financially on us. We're worried for the cost of mother's medical treatment... Is this a sin to be worried so much?

Hello:) I've read your prayer. I agree with it but I still feel empty. Sometimes I sense that God is with me but that are just moments. I'm very egocentric and in crisis moment I'm not ready to trust Him. Many times I tried to start everything from the scratch. I asked Him to lead me but it wasn't working... I want Him to live in me, I want to experience the fullness of life with God. What should I do? I feel that I do everything wrong, I can't receive Him... 7 years ago I came to your website... At that time you've helped me in getting on my feet, I've started looking for God. Now a lot has changed, I'm more religious but I don't know if I'm truly a believer? I've experienced a lot of good from God but I've also made a lot of bad things.. I don't know why I even write this... I hope you can write to me...

I'm looking for help for my boyfriend. He is addicted to alcohol and gambling. He has no insurance. Where can we go to receive free help? Thank you for help in advance!
